GUTTENBERG RACE TRACK, Jan. 10.—The weather was bitterly cold at Guttenberg today. In fact it was the coldest weather experienced on the billiard track this winter. The wind shrieked and howled around the corners of the grand stand like the yelling of a thousand demons, and a trip through the paddock made one gasp for breath so keen were the whirling, snow-laden blasts. The jockeys must, indeed, be hardened to ride races in such weather, and Starter Caldwell was given orders to get the boys away from the post as quickly as possible, in order not to expose them too long to the marrow-chilling blasts.

The track was in very fair shape, considering the extreme cold, but it was very hard. The card was a fair one and promised good sport. The opening event was a dash of four and half furlongs. Starter Caldwell did not keep the field at the post, long leaving the Herquin, the only bad actor of the lot, at the post. Lizzie T. turned up the winner. Andrew Thompson, her owner, had grown tired of playing her, and he did not wager a cent on her. As usual in such cases, the horse won.

Adia, a 15 to 1 chance, was second, and Narka, out, well placed, just beat the favorite, rocket, out, for third place. Airplant was a 1 to 2 chance in the second race, and, though he won, Penny was obliged to punch him hard in the run through the straight. J. McLaughlin, lately the Dewdrop gelding, would have won with a more competent rider up than Hove. It was Penny's superior jockeyship that won. Julia L. also an outsider, was third. Sir Richard was another 1 to 2 shot that went through all right. Griffin rode and he made every furlong pole the winning post. Blackburn, who opened at 8 to 5 and went back to 4 to 1, was second, and Penelope, badly ridden, was third. The latter was heavily played. At Guttenberg the Chicago turfman, was a visitor at Guttenberg.
